On behalf of the 26,000 Letter Carriers and their families that I represent, it is my honor to formally endorse Congresswoman Elise Stefanik for re-election to New York's 21st Congressional District.

Congresswoman Stefanik has shown a true understanding of our Postal and Labor issues, and stands with us. She also agrees that the loss incurred by USPS, caused by the Covid-19 Pandemic, must be financially resolved by Congress, and the demise of the Postal Service would have a devastating effect on her constituency, the Mail-in-Absentee Balloting, and the entire country. She is also a proud cosponsor on most of our Legislation in the House..

We look forward to her victory in November, and pledge our support to her campaign.
